

Conveyors & Conveyor Systems

Built Better...

Because We Care!

We're your leader in conveyors and conveyor technology!

CONTROL YOUR PLANT; CONTROL YOUR BOTTOM LINE!

Vande Berg Scales gives your plant state-of-the-art automated material handling capability. We engineer and design our conveyors with you in mind. This, along with our extensive knowledge of applications allows us to develop conveyor systems that fit your plant's needs. At Vande Berg Scales, we manufacture conveyors that are very cost effective, easily expandable, and easily reconfigured. With a little imagination and a small investment, you can do wonders with reducing manual material handling through the use of our conveyor systems!
